## Privacy Policy

Your privacy is respected on our website. We do not collect or give out any information to any third parties, or internet businesses. No information will ever be disclosed to outside parties, without explicit permission from you, our faithful client.\* This is our policy and we adhere strictly to it! At Paramount Animal Care we recognize the importance of protecting personal information and the privacy of its clients, its patients, and those who simply visit our website.

\*Information may be necessary to share with other outside sources, such as, referral clinics, reference laboratories, etc. We will fully inform you of this happening prior to use of your information. We also may ask to feature you on our social media sites. Again we will fully inform you and ask for consent prior to use of any pictures or other information we may share.
